Dear Graduates of the Class of 2013,

As principal of Bulkeley Lower School I first and foremost offer my heartfelt congratulations to the graduating class of 2013. Bulkeley High School is a culturally and ethnically rich community that educates students from 42 countries and is representative of 22 languages. We have always recognized the importance of appreciating and valuing YOU for who you are and for the future contributions you will make.

Four years ago, as you began your educational journey at Bulkeley High School, you were met with a dedicated staff who would introduce the important tools, creative study skills and integral ways to deal with the global interdependent world that awaits you. I have witnessed a transformation in all of you and know that you are prepared for the next chapter in your life.

Whether you choose to enter the competitive and challenging work force, the college application process or a branch of our military, I know you are ready. These past four years have been important ones, but the upcoming years will also play an important role in your way of thinking and to your ongoing success. The changes will widen your circle of self knowledge and will shape your world. Truly a new beginning awaits each and every one of you and this is your time to embrace all that the future holds. I wish you the very best and continued success in all of your future endeavors as you embark on your new journey.

Dear Class of 2013,

As your four years at Bulkeley High School draw to a close, I want to extend sincere and heartfelt best wishes on reaching this milestone and the many possibilities open to you as you go forward in your life's journey.

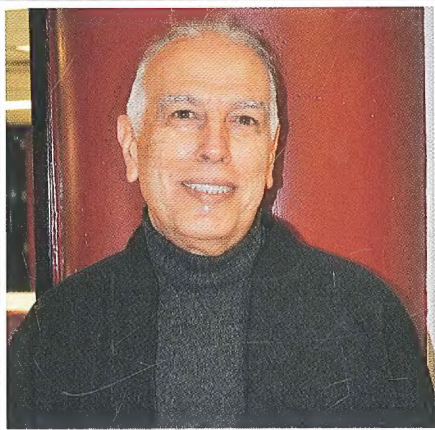

My mission as your Principal has been to instill in you that as Bulkeley High School graduates, you are part of the rich heritage of this institution of learning and that you have the responsibility to continue the legacy of excellence and service for future generations of Bulkeley students. At the same time, we have encouraged and celebrated your unique talents and individual achievements, so that you can realize your full potential.

The class of 2013 has chosen as its theme Transcendence, a concept and belief system, which encourages us to believe in ourselves, no matter who we are and where we are in life. The Transcendental Movement held at its core the belief that all human beings can transcend challenges, limitations and personal disappointments. In many important ways, education is the key to transcending from acceptance of what seem to be impossible dreams to a deep rooted determination that with hard work, commitment and a sense of purpose, everything is possible.

In many important ways, your Bulkeley experience has shaped the person you are today; however, never lose sight of the fact that this is an evolving process. We have done our very best to prepare you to meet the challenges and take advantage of the many opportunities that await you beyond the doors of our beloved school, but ultimately your fate is in your hands. Inspirational writer Edmond Mbiaka reminds us that, "Nothing can stop a human being from triumphing beyond his negative circumstances, unless he continuously invites negative thoughts to convince his mind to believe that he is incapable of transcending." I have had the privilege and joy of getting to know each and every one of you in this graduating class, so I wholeheartedly believe that you have it within you to transcend throughout your lives, and therefore have confidence that no dream or goal is beyond your reach.

Godspeed,

Gayle Allen-Greene, Principal

Quiero dedicar mi graduacion a mis padres, que confiaron en mi en todo momento, a mi familia que siempre me alento a lograr mis metas, a mis amigos, que estuvieron conmigo en los momentos dificiles y a las personas que me refalaron una sonrisa en la vida.

A Message From Mrs. Swistko

Teacher's Hope, Third Grade

As you move from Bulkeley into the next great
 adventure of your life, I hope that you will be
 inspired by the following advice:

Don't be afraid to go out on your own and
 go into the wilderness of your intuition. You can't
 find the way by looking at the map, and you can't
 find it by not quite knowing what you're doing, but what
 you'll discover will be wonderful. What you'll
 discover will be yourself.

Alan Alda

A person is lucky to find a job that is satisfying even 20 percent of the time.

- Dr. Turner

Advice from Mr. Taylor:
"...the great and curious truth of the human experience is that selflessness is the best thing you can do for yourself."

- David McCullough, Jr.

Advice from Mrs. Chiridon:

"The greatness of man is not in how much wealth he acquires, but in his integrity and ability to affect those around him positively."

- Bob Marley

Advice from Mrs. Graft:
"The easiest way to predict the future, is to create it."

- Alan Kay

A Message from Mrs. Childress Humanities Theme Coach

Know that as a part of the Humanities Studies Program here at Bulkeley High School, you were a part of something special. I hope that as you make your way through the perilous journey we call life, you take the time to be reflective and recognize that you have the power to impact so much more than you would think possible.

"The calling of the humanities is to make us truly human in the best sense of the word."

- J. Irwin Miller

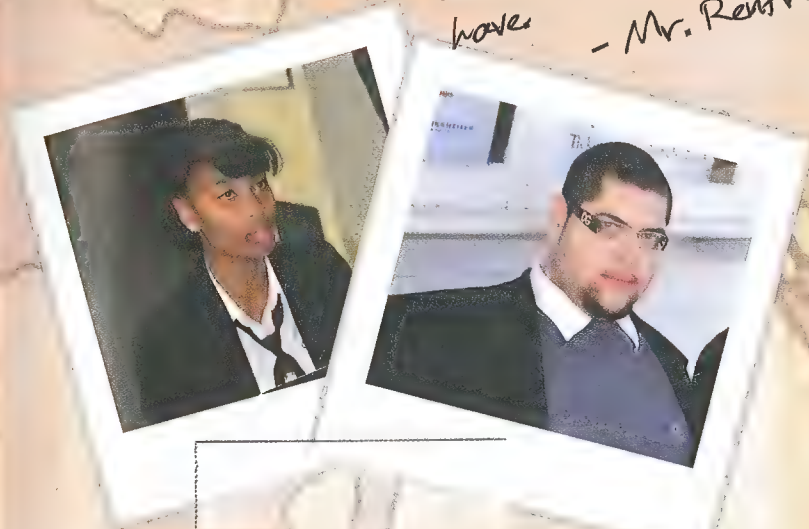

Best wishes from Mrs. Blake:
 "Keep away from people who try to belittle
 your ambitions. Small people always do
 that, but the really great ones make you feel
 that you too can become great."

- Mark Twain

Humanities

Good luck! The harder you

- Mr. Renfrew

As an elementary education teacher turned
 high school teacher, the best advice I can give
 you comes from Dr. Seuss's book, *I Can Read

"The more that you read, the more things
 you will know. The more that you learn, the
 more places you'll go."

Bulkeley Cinema Club

For the Bulkeley Cinema Club, student officers select films to be shown after school on Thursdays. Weekly refreshments include fruit, popcorn and juice. Students may write reviews of each film, earning weekly candy bars after five reviews and officer status and club shirt after twenty reviews. *New York Times* reviews of each film are provided for students, together sometimes with the biographies of film stars and authors whose novels are made into films.

Key Club

Key Club International is the oldest and largest service program for high school students. It is a student-led organization whose mission is to teach leadership through serving others. This year, while working closely with the National Honor Society, the Key Club organized a toy drive and holiday party, helping to raise more than \$1,500 in cash and gifts for over sixty children at a local homeless shelter.

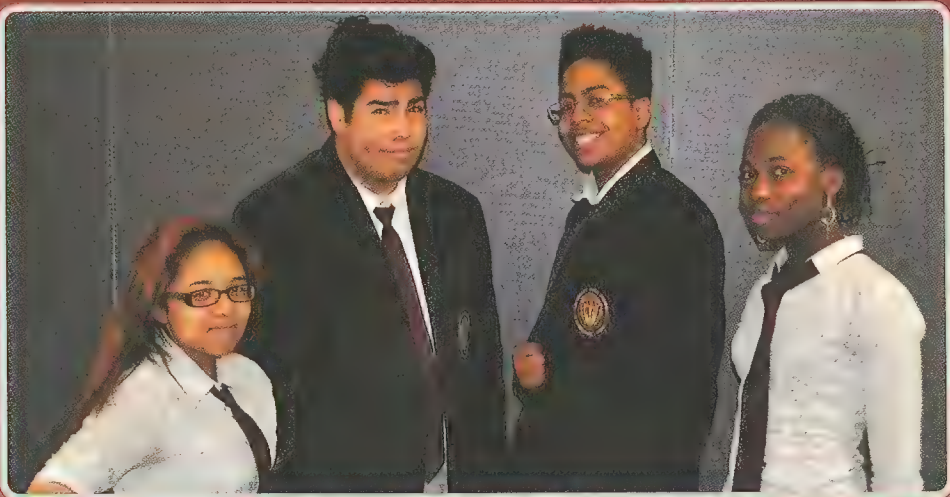

National Honor Society

The National Honor Society is composed of juniors and seniors who have demonstrated excellence in service, leadership, scholarship, and character. Students are selected through competitive application process, and, once admitted, participate in monthly service projects. Working in partnership with the Key Club, some of this year's projects have included organizing toy drives and preparing Easter baskets for homeless children, volunteering at various charity walks, serving food at a local soup kitchen, and sponsoring several American Red Cross blood drives.

Senior Class Officers

Senior class officers help raise money for the prom, senior picnic, and class trip by organizing, promoting, and fundraising through dances, pep rallies, and other events. This year, the class sponsored Homecoming and the Valentine's Day flower and chocolate sale, as well as other fundraisers.

FOOTBALL

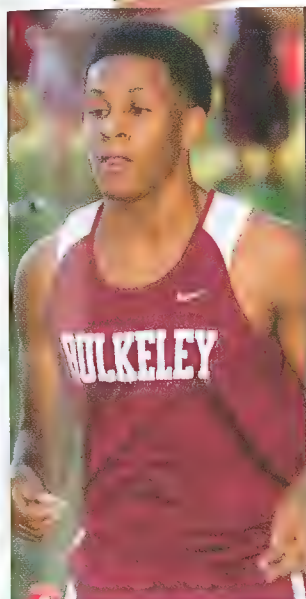

Captain's Corner

Although our season wasn't perfect, the hard work and character each player showed truly embodied what it is to be a Bulkeley Bulldog. The football team was more than just a team. We were a family! The bonds each player developed for one other go far beyond the field, and are something that will last forever. Once a Bulldog, always a Bulldog!

Michael Alexander, Nickali Anderson,
Eric Agron, Cesar Sanchez

CROSS COUNTRY

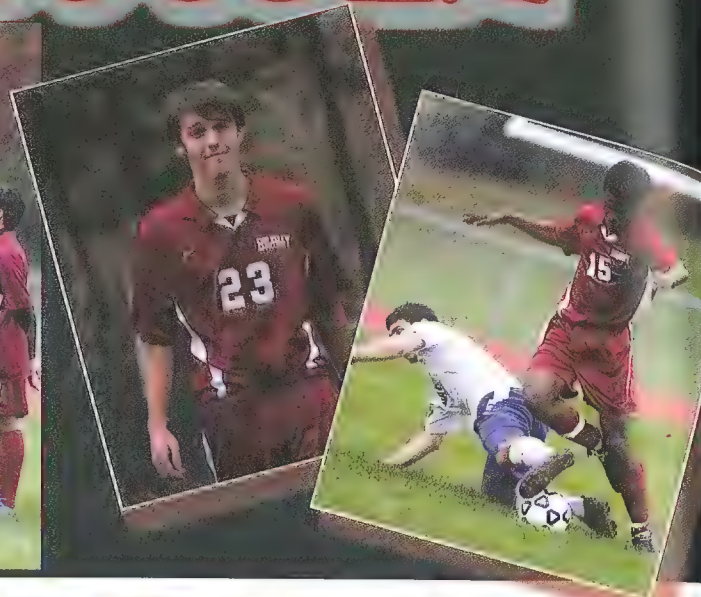

Captain's Corner

We have enjoyed the time we spent together. Each day our team worked hard and persevered under the burning sun. After every race, every step, every mountain we had to climb, we did it together. We supported each other, no matter how many wins and losses we had. It didn't really matter because we did it together. That's what really matters.

Anthony Sanchez & Jason Hernandez

BOYS SOCCER

Captain's Corner

The season didn't go as we expected, but overall we think that it was a good season. There were some ups and downs, but the team never gave up and finished the season strong. We had great results against great teams. We will miss everything about running up and down the field and giving it our all.

Ramiz Mehmedovic, Sele Berbic,
Ronald Teran

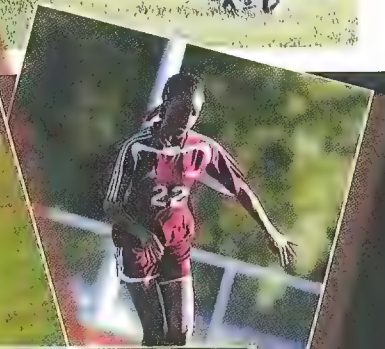

GIRLS SOCCER

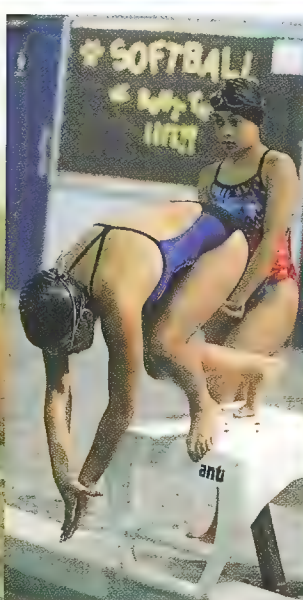

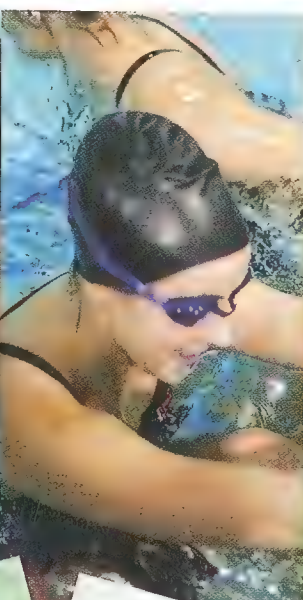

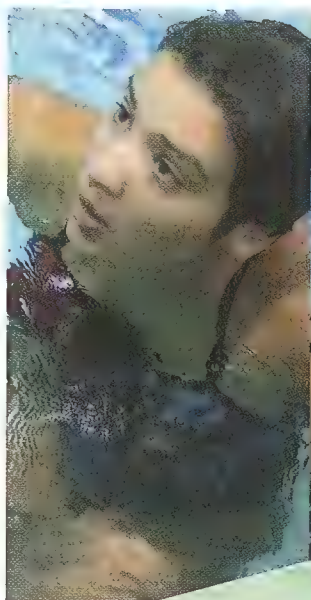

Captain's Corner

Being a part of the soccer team has taught us more about team work and meeting new people than any other experience we can think of. Soccer has been a great experience filled with memories and excitement. Soccer is life. It was good while it lasted. Let's go Bulldogs!

Shanice Ward, Alexis Brown, Merlee Arthur

GIRLS SWIMMING

GIRLS VOLLEYBALL

Captain's Corner

It has been a great experience playing on the girls volleyball team. It was an awesome privilege being captain. We made so many friends and had amazing coaches. We will miss being able to play with friends and hearing our fans cheer us on. Good luck next year!

Krystal Melendez & Tiyaiah Gross-Jones

BOYS BASKETBALL

Captain's Corner

The season was a good season with its ups and downs. Playing on the Bulkeley basketball team is a lifetime experience you will always miss. I wish good luck to the incoming basketball players and future captains. Have fun and make it last.

Panjay Williams

GIRLS BASKETBALL

INDOOR TRACK

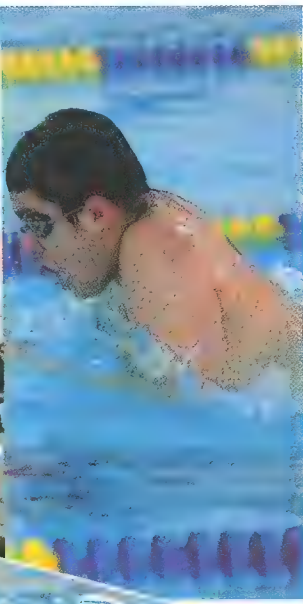

Captain's Corner

We had our wins and losses, but what really matters is that we stood together through the whole thing. The one thing we all will keep with us is that we loved each other no matter what the outcome was. Good luck to all. Much love :)

Anthony Sampson, Taj Decordova,
Jason Echevarria, Kevron Usher

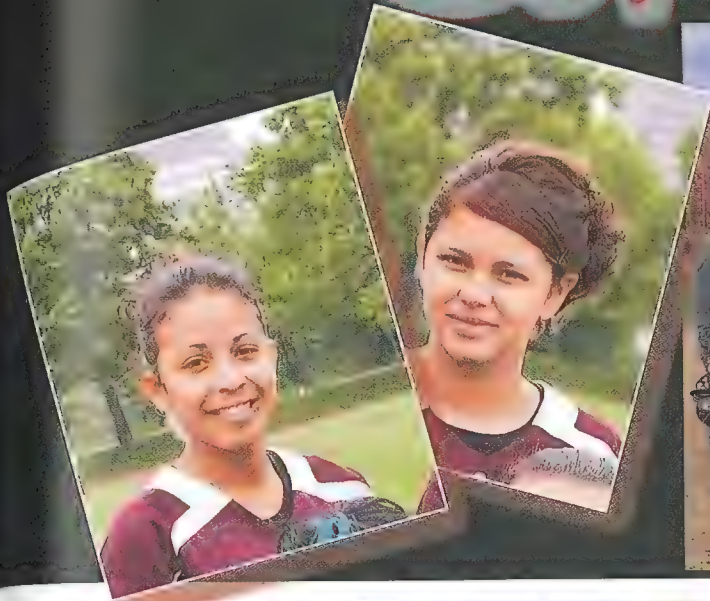

BOYS SWIMMING

BASEBALL

SOFTBALL

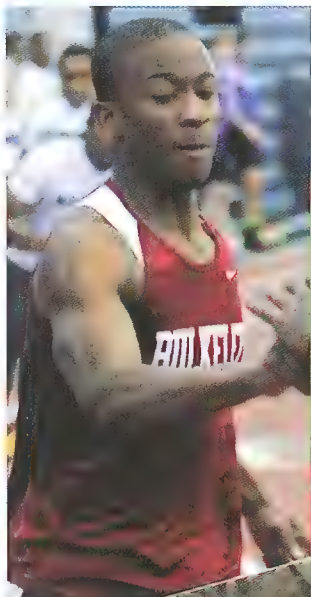

Captain's Corner

We will never believe that this softball season has come to an end. We have loved playing on this team and will sincerely miss our coach saying, "go ahead, kid! go, away". We have been really good at it. We wouldn't trade our teammates for any other team. Being able to play with them was a great opportunity and a great experience. Good luck, guys!

Kristal Martinez & Keshia Miller

TRACK & FIELD

Captain's Corner

There is no "I" in team, and outdoor track is the perfect example of this. At every practice we pushed each other to do our best and work hard. We grew to become a family; a family full of unique individuals, a family of inspiration and dedication, and, most of all, a family of love. We have enjoyed our time serving as your captains. Good luck.

Anthony Sampson & Taj Decordova

Boys Volleyball

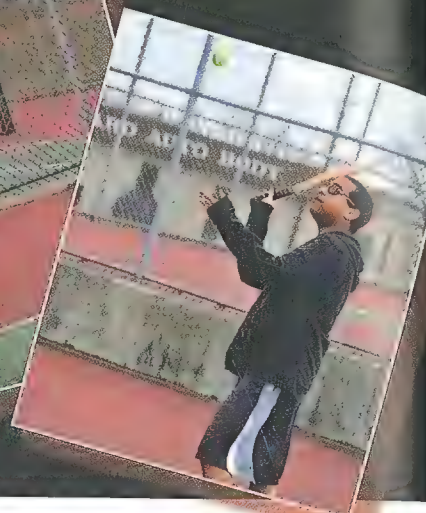

Captain's Corner

The volleyball team first started off as a team that didn't really know what we were doing, but by practicing hard we became a better team. Our last game was a bit terrifying because we no longer would be able to play together or see each other again. But this experience would not have been possible without our coaches. We really appreciate your work.

Keyron Usher

BOYS TENNIS

Captain's Corner

This is my second year playing and it was the best time of my life. When I started it wasn't supposed to be serious, but in the end tennis kind of grew on me. This sport has become a close second in my heart. I have made new friends and have a newfound respect for tennis players. I'm going to miss all the people who helped me along the way.

Nickali Anderson

GIRLS TENNIS

Captain's Corner

We are more than just a tennis team, we're family. Our cooperation and determination on the court is extraordinary. At the end of the day, Lady Bulldogs either win together or lose together. I hope to see the team grow as the years go by. And always remember: once a Lady Bulldog, always a Lady Bulldog!
